IT WAS A FUN SEPTEMBER.

New Home Welcome Kit!

Septeber Fun

We have had so much fun in September! From one on one sessions, classes, to craft booths. There is so much more to come invite a friend and join us for an event. Would you like to hose your own party? Gift someone you love some oils for the holiday. Tis' the season to be thankful and share with those we love. Remember you have little jars in the bottom of your kit that your friends would love try! Some of the great upcoming events.
